

SO YOU WANT TO TEACH MUSIC: SETTING UP A TECH SAVVY STUDIO

NOVEMBER 6, 2021

BECKY BROUWER, NCTM - beckybpianostudio@gmail.com

Studio Organization:

- Scheduling - Keeps track of your calendar and schedule, automatic reminders for student lessons and other calendar items
- Money - Sends out invoices and can take payments
- Taxes - Keeps track of Income and Expenses including gas mileage
- Webpage - Professional website
- Lending Library
- Online Resource library
- Register students
- Enforce policies

SOFTWARE	PRICING
My Music Staff	\$12.95/month
Teachworks	\$15/month + .25 per student
Duet Partner (Formerly Music Teachers Helper)	\$6/month 1-5 students, \$14: 6-20
Spreadsheets (Numbers, Excel, Google Sheets)	Free with a computer

Note Keeping:

- Storage - save notes that you use often to reuse for other students
- Planning - have notes already planned out for a student
- Media - Attach videos, music and recordings easily to assignments
- Communication - Reminders about upcoming events and notes to the studio
- Insights - See what your students are practicing and for how long
- Easily copy and change assignment notes from week to week
- Streaks - Provide incentive for students to practice
- Leaderboards and chat features - students have a community to interact with
