## **MTNA Affiliate Enrichment Grant**

At the beginning of June 2018, UMTA was advised that the Affiliate Enrichment Grant applied for had been granted. The application was made in an effort to help fund the restructuring of the UMTA website. This was to be a major overhaul and would take a lot of time and money. The last major renovation of UMTA's website presence took place in 2010. It was definitely time to make improvements, and the enrichment grant helped make it possible.
