

Independent Music Teachers Forum

ONGOING OPPORTUNITIES

In addition to our yearly luncheon at the UMTA Annual Conference, IMTF teachers are invited to participate on the closed [UTAH MUSIC TEACHERS ASSOCIATION DISCUSSION GROUP](#) to share ideas, concerns, needs, and information. Through this group we share teaching techniques, performing and competition opportunities, fun youtube videos, MTNA benefits (webinars, discount program, online ejournal, American Music Teacher publication) ... basically any ideas we come across to uplift, inspire, and educate one another.

Independent Music Teachers are also encouraged to attend the IMTF session each year at MTNA National Conference.
